## MESSAGE FROM THE PRESIDENT

The sunny bright days of summer are upon us! At retail, you will have great customers traveling, needing to be dressed for special events, excited to be out on a gorgeous day and shopping for many other reasons.

The true beauty of having our own businesses is our relationships with one another. We are blessed to be in a business that thrives on relationships - caring for one another!

Going that extra mile to find a special pair of earrings for your customer or stopping your busy schedule to listen to their needs, and hopefully being able to help them with personal advice AND a new dress or a gift for a friend.

The give and take of your relationships with your customers are so rewarding (challenging, too). Most of you are creative and experienced enough to foresee what merchandise and products work for your valued clients. We know this isn't an easy task. We know you work hard to develop the right merchandise mix for your customers' desires and needs.

As reps we are thankful for you and honor our relationship with you. We are appreciative that you come consistently to the FMNC Shows! We are here to lend a listening ear, help with finding any special items and of course, help you to be profitable with each collection we sell to you. We hope to strengthen our friendships with you and learn more about you and your store with each show.

FMNC is making a concerted effort to help us get to know one another better-

-Look at the "Step Inside" interview - some of our great accounts who attend FMNC are asked to answer a few questions about their interests and share their knowledge about marketing. Let Mary Taft know if you are interested in being interviewed for this.

-FMNC also offers a free "wine hour" to mingle after hours at the hotel bar/restaurant. This is a fun way to get to know one another. We encourage you to stay overnight for added hours of shopping and a restful and/or social evening!

Cheers to June and the Joy of working together once again!

Karen Anderson
President FMNC
